## KAMS BEAT PUNAHOU

### New Record Made for Running Broad Jump.

"Bah, rah, rah, Kamehameha." The Kams won their second dual meet with the athletes of Oahu College at the Boys' Field yesterday afternoon, the score being 51 to 42. It was the old story of the Puns being weak in the weight events. Their opponents farmed all the points in the shot and hammer events, as well as in the broad and high jumps, and this gave them the victory. Otherwise the issue was in doubt all the way through the program.

The day was a miserable one, but, notwithstanding, the grandstand was well filled with spectators. The events were run off faster than is usually the case at a local athletic meeting, and if next Saturday's championships are decided with like celerity the crowd will be well pleased.

One island record was broken, the broad jump. The old figures were 21 feet 4 inches. Yesterday Mackenzie leaped 21 feet 9 1/2 inches.

Some good performances were witnessed, notably in the hundred, mile, quarter, and two-hundred runs.

Mackenzie again proved that he is without an equal at the hundred by winning from Lyman by a yard in 10 3/5.

Whiting, who took the mile, ran a well-judged race. He indulged Dodge with the lead, but commenced to overhaul him in the last lap and passed him with a fine spurt at the head of the stretch.

Joe Pa, who won the quarter, ran in splendid form, and seems to have got back into his best shape.

Lyman ran a cracking good race in the 220-yard dash, and will come near winning first honors at this distance next Saturday if he starts.

Pa cleared the hurdles nicely, winning in 19 1/5 seconds. This was the first time that the regulation ten flights of hurdles had been used and Pa's time therefore constitutes an island record.

## SOMETHING DOING AT AALA PARK

There will be something special doing at Aala Park this afternoon in the baseball line, as two very fast games are scheduled to be played under the auspices of the Riverside Junior League.

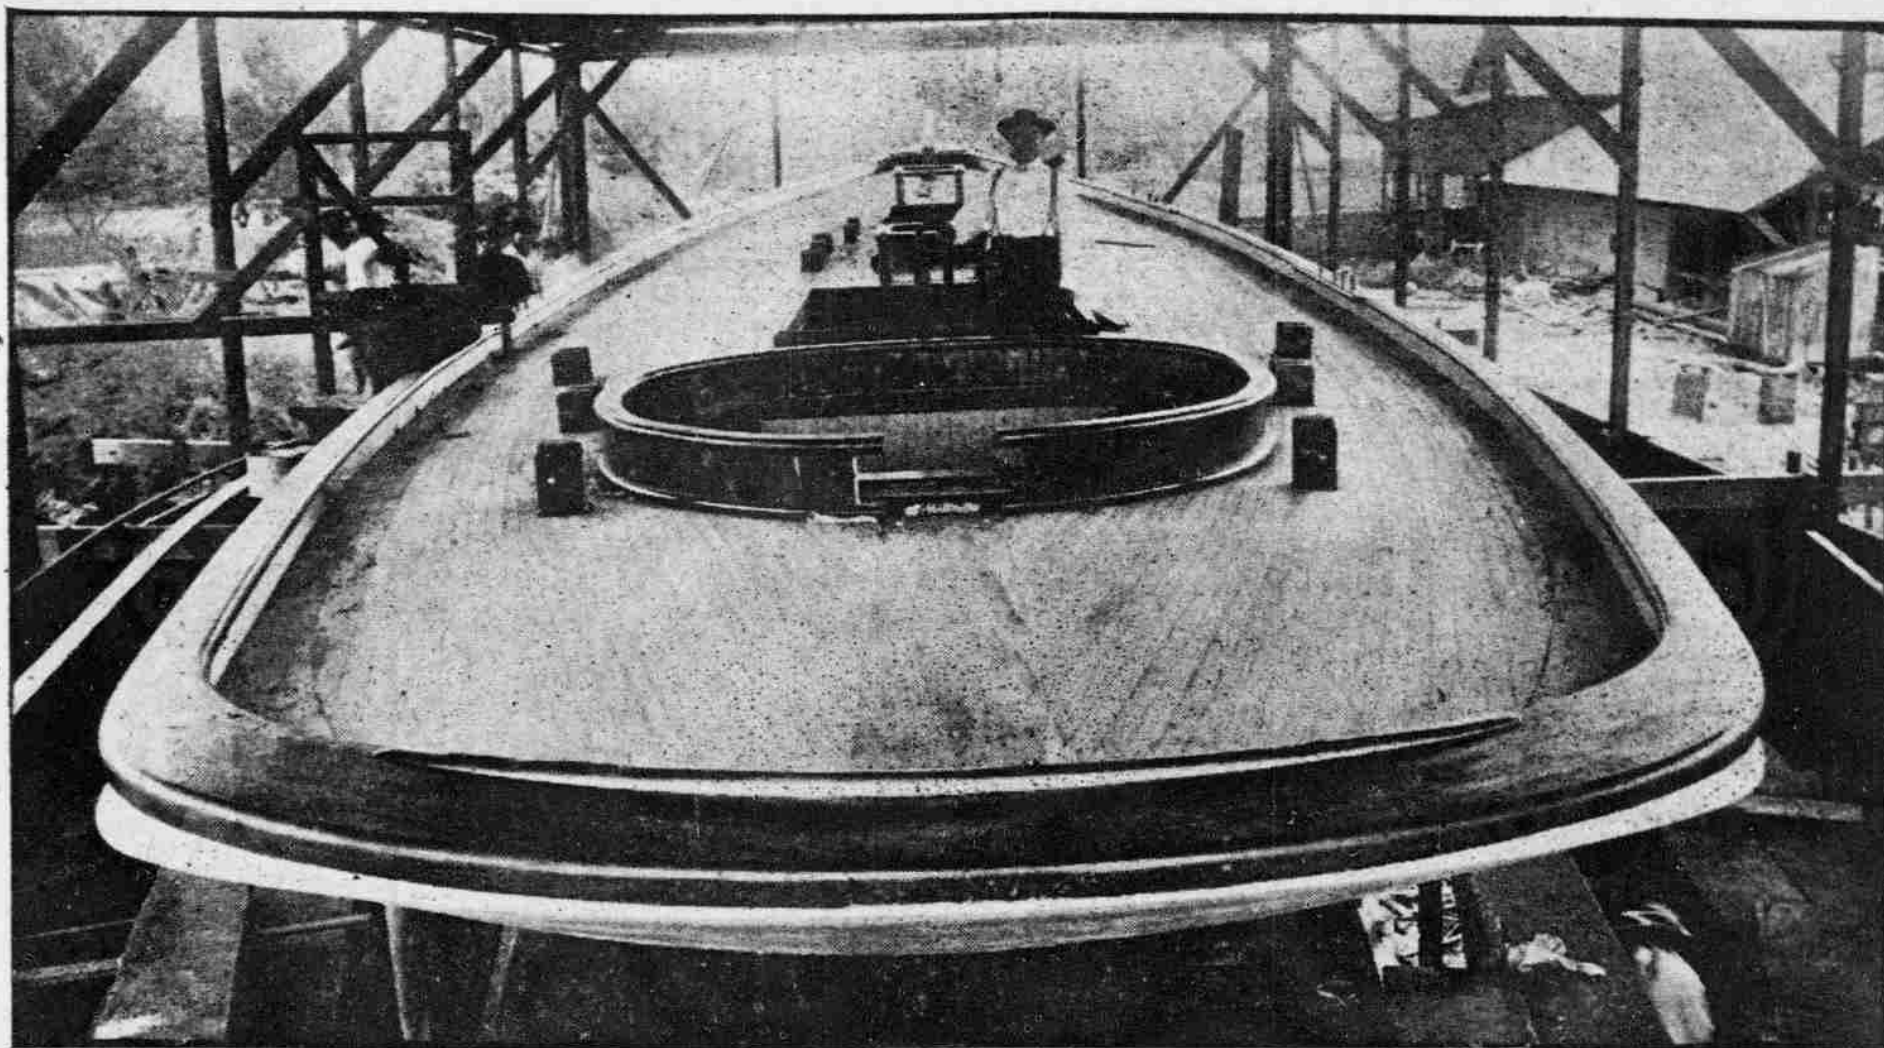

The Kalamianole League ended its series last Sunday and the Riversiders will be in full charge of the diamond from now on.

In the first game today, starting at 1:30 p. m., the Aala A. C. will cross bats with the Oriental A. C. Indications are that the Orientals will give the Aalas a hard-fought for the honors.

C. Y. Mark, the star twirler of the Chinese A. C. Jr., who pitched winning ball in the championship series of the Kalamianole League for that club, is managing the Orientals and will do his best to defeat the Aalas in this contest.

The battery will be: Aalas, Asam and Britto; Orientals, L. Chuck and Loo Hon.

The second scrap will be between the Asahi A. C. and the Sweet Violets. The

Estimated amount required to complete the yacht, \$3,500.00

From the above it will be seen that the island of Hawaii for some unknown reason is at the tail of the contribution list, and a very long way behind the third highest of the island contributors.

Time is getting short now in which to complete the Hawaii and the committee are very desirous of her starting for San Pedro with all the bills incurred in her construction, receipted.

All who have contemplated doing something for the yacht and have deferred so doing will confer a great favor on the committee if they will make their intentions known in the matter and send the cash along with their offer to help, that is, of course, in cases where the gifts do not consist of actual material.

An idea of what articles have been donated to the yacht may be gained by an inspection of the window of William M. McInerney, where the articles are on view in imposing array.

The following letter was received by the committee yesterday:

Waialua, March 12, 1908.  
Mr. Chas. T. Wilder, Honolulu.  
Dear Sir: Enclosed find draft on Castle & Cooke for sixty-two dollars (\$62.00). This sum has been subscribed by employees of the Waialua Agricultural Co., Ltd., to be used to purchase some article for the racing yacht Hawaii. It was decided that it would probably be more satisfactory to forward the money to the yacht committee and allow them to select some necessary article. We would be pleased to hear of the committee's selection.

Yours truly,  
HORACE JOHNSON,  
Chemist, W. A. Co.

## INDIGO WON FROM MALLET

### Exchange Five Made a Show of Daisy Alias False Alarm.

Despite the wet weather a large crowd of racing enthusiasts journeyed to Kapilani Park to witness the two match races carded for decision and great interest was manifested in the proceedings.

The first pair to go to the post were Indigo, owned by Louis Warren and trained by Eddie Finn, and E. H. Lewis' polo pony Mallet, which has figured in two other match races of late.

Oploplo was up on Indigo and Henry Lewis piloted the pony. The distance was three-eighths of a mile.

It was the first time Indigo had been seen on the local track in a race and he made a very good impression by his appearance. Both animals were equally fancied, though had Indigo a better reputation for tractability he would have started a firm favorite.

Starter McPhee sent them away nicely with the pony on the rail. For a little while they raced along evenly, then Indigo went away from Mallet and won under a strong pull by three lengths, Mallet was ridden out. The time was 39 1/2 seconds, not at all bad, considering the heavy track.

The Pond Dairy's little bit of blood, Daisy alias False Alarm, then hatched up with Exchange Five, a gray horse owned by George Bruns. Daisy is the buckskin which has been so much in evidence at the track of late.

Oploplo rode Exchange Five and a small boy named Stone sat on Daisy.

The buckskin is a queer-looking mutt and seems to be more in need of regular meals than of races just at present. The crowd was greatly tickled at the mare's odd appearance but only one individual, who must lately have come into a fortune, is known to have bet on her. Very few fives were exchanged over either Exchange Five or old bag-bones.

"I guess that skate's running for Sweeney and the end book," remarked a recent arrival from San Francisco.

The argument was at a quarter and Angus McPhee turned 'em loose.

Exchange Five made all the running and won in a romp. A search party was sent out to search for Daisy. The time was 28 seconds flat.

After this race there was some talk of Mallet and Indigo hooking up at a quarter of a mile but nothing came of it.

Next Saturday Indigo and Defender will run five furlongs and Mallet and Candy Boy will decide their rubber at three-eighths of a mile.

There is much talk of track-building in the air and it is probable that a deal of money will soon be made public. Eben P. Low is said to be interesting himself in the matter and there is a rumor that the Diamond Head Athletic Club will lend a hand in the organization of a new jockey club for the island of Oahu.
